

MEET THE DISTILLERS

Together with our partners, we seek to honor the cultural pathways of Arkansas's unique past, in a way that empowers and enriches our future.

We are proud to partner with the **Arkansas Distillers Guild** to promote the craft distillers across our state who continue the rich tradition of manufacturing spirits, and who consistently distinguish our region by raising the standard of *excellence & innovation*.

Ozark Moonshine & Music Festival is a 501(c)3 dedicated to preserving our Arkansas moonshine heritage through **education and celebration**, in order to provide hope and healing to children.

Since 2022, the festival has raised over **\$33,000** for children's advocacy!

WHO WE SUPPORT

Proceeds of the festival benefit the **Children's Advocacy Alliance**, a vital outreach that stands up for abused & neglected children in central Arkansas. These funds directly support the CASA program (**Court Appointed Special Advocates**) and the Van Buren County CAC (**Child Advocacy Center**). These two programs work together to provide a **voice for justice** for kids in need.
